RISE UP

2018

The IBIZA **EXPERIENCE**

For a world healing process by  
a **collective act** of **Faith & Love**

*“Most of the biggest changes in the Human History  
had been created by little group of people, united.  
Big change from little group”*

*Margaret Mead*

## WHAT

◇ **To realise a scientific experiment based on the critical mass theory with the maximum possible inhabitants of IBIZA island.**

To involve medias for having 144000 people connected who is the official number of IBIZA inhabitants since 2014 (cf Diario de Ibiza april 6th). We need 8000 volunteers for the first phase.

◇ **To measure the various positive effects of this experience for IBIZA people, for the humanity and for the whole planet.**

◇ **To verify the validity of various scientific theories and psychosocial phenomenons:**

- \* Morphogenetic field
- \* Butterfly effect
- \* Domino effect,
- \* Holographic and connected Universe
- \* Chain reaction
- \* 100nd monkey
- \* Pr Masaru Emoto's water researches

## WHERE

**IBIZA ISLAND, connected with the rest of the world and whose who want to participate and support the impact of this experience.**

## WHEN

## HOW :

Sign up as volunteers on the FB page dedicated for the Experience.

### STEP 1:

**A:** Synchronise your mobile daily **ALARM** clock (or any other clock alarm) at 17h17 until 31.12.2017 then 18h18 since 1.1.2018.

**B:** When the alarm ring, create a connexion, like become an antenna, from the center of the heart, an emetor-receptor 1 minute.

During this minute you can meditate, pray or simply send love and positive vibrations, for you, family and planet Earth.

This phase 1 is individual but can be organised in group.

### STEP 2 :

To make it **COLLECTIVELY** with a large group during the **RISE UP IBIZA GATHERING 2018** with the maximum of participants possible.

## WHY?

- To Give Peace a Chance
- To Awaken Consciousness
- To Free Human kind from false beliefs systems
- To Rise ourselves and Rise the World
- To Achieve ancestral prophecies
- FOR LOVE

# HYPOTHESIS

## IBIZA EXPERIENCE 2017-2018

- ◇ **Hypothesis 1:** : If 8000 people from IBIZA ISLAND meditate, pray or simply send positives intentions together at the same time, it will affect positively the whole 144000 inhabitants of the island.
- ◇ **Hypothesis 2:** if 144000 people from IBIZA ISLAND AND OUTSIDE meditate, pray or simply send positives intentions together at the same time, it will affect positively the whole Humanity.
- ◇ **Hypothesis 3:** if the whole 144000 inhabitants of IBIZA ISLAND meditate, pray or simply send positives intentions together at the same time, it will create a possible miracle and a planetary-avatar awakening effect (collective Buddha/Christ Consciousness) by corresponding and enter in coherence with various ancestral human prophecies of LOVE VICTORY : Torah, Bible, Coran, Lakota, Dogon, Hopi, Maya, Toltèc, Navajo, Aborigèn, Amazonian, Mongol, Inuit, Indian, Evé, Yoruba, Abenaki, Mapuche, Huichol, Yaqui, Quechua, Tupi-guarani, etc.
- ◇ **Hypothesis 4:** « Nothing but the Truth and Paradise » could be the coherent meaning of a « new name » to initiate the experience and to propose these improvement.

Let use the scientific experimental methodology to improve these 4 hypothesis and the protocole of Washington initiated by the Maharishi University of Management.
